Professional Summary

Data Science and AI professional combining university teaching, technical training, applied analytics, and AI project development. Currently Assistant Professor in MBA – Data Science & AI at Chandigarh University and Senior Technical Instructor at The Coding Science. Experienced in Machine Learning, Deep Learning, Generative AI, Agentic AI, Python, Business Analytics, BI reporting, and project-based instruction.

Professional Experience

Assistant Professor – MBA, Data Science & AI Jul 2026 – Present
Chandigarh University, Punjab On-site

- Teach Machine Learning, Deep Learning, Generative AI, and Agentic AI, connecting AI methods with business strategy through Python, Business Analytics, and web/application development.

Senior Technical Instructor May 2026 – Present
The Coding Science Remote

- Deliver technical instruction and practical technology learning through The Coding Science.

Assistant Professor – AI & Data Science Oct 2025 – May 2026
Guru Nanak Institutions Technical Campus, Hyderabad On-site

- Taught Data Science, Machine Learning, Deep Learning, NLP, and DevOps; developed practical labs using Python, TensorFlow/PyTorch, and Docker.
- Mentored 100+ capstone/research projects and contributed to OBE mapping and NBA/NAAC accreditation activities.

Data Analyst (Part-time) Aug 2025 – May 2026
InnoByte Services Remote

- Performed e-commerce data analysis for an Amazon client; developed Power BI/Tableau dashboards and Python/SQL reporting workflows.

Technical Trainer – Computer Science & AI Oct 2023 – Oct 2025
Guru Nanak Institutions, Hyderabad On-site

- Delivered 15+ workshops/boot camps for 500+ students and faculty covering Python, AI/ML, Generative AI, prompt engineering, Docker, MLOps, and cloud deployment.

Selected Projects & Research

- **Explainable Brain-Tumor Detection:** Applied VGG16 and Grad-CAM to MRI-image analysis; publication reported in IJSR (2025).
- **GenAI Financial Chatbot:** Built an LLM + RAG workflow over financial filings using LangChain, ChromaDB, and Streamlit.
- **GenAI Model Suite:** Developed summarization, Q&A, and semantic search using LangChain, LlamaIndex, and Ollama.

Education & Certifications

M.Tech, Data Science & Artificial Intelligence *2023–2025*
Mewar University, Rajasthan CGPA: 8.15/10

B.Tech, Computer Science & Engineering *2017–2021*
Islamic University of Science & Technology, J&K CGPA: 7.33/10

Certifications: AWS Certified Cloud Practitioner (CLF-C02) • Azure AI Fundamentals (AI-900) • Deep Learning Specialization

Technical Skills

Programming & Analytics: Python, SQL, R, Pandas, NumPy, statistical analysis, Power BI, Tableau
AI/ML & Generative AI: Scikit-learn, TensorFlow, PyTorch, NLP, Computer Vision, XAI, LLMs, RAG, LangChain, LlamaIndex
Tools & Platforms: Streamlit, FastAPI, Docker, Git/GitHub, CI/CD, AWS/Azure fundamentals, MySQL, PostgreSQL, MongoDB
